Summary: Ram has a sister called Bella but couldn't find her after the virus. Bella went back to the city to see if her brother was there. Bella founds out her brother was the leader of the Techno leader and tries to knocked some sense into him

1. Chapter 1

Bella was waiting for her brother Ram to walk out of school then once he left the building and walked over to her "Hello Ram" Bella called out to him with a smile "hey sis" Ram said to her "let's go home.. mum and dad wants us home for some reason" Bella informed him then walked off with him following after her

They arrived home to see that their parents was not downstairs "where are they" Ram asked Bella in a worry voice "maybe upstairs" Bella said as she walked upstairs and went into her parents room to see them laying down on the bed not moving "RAM" she screamed as she ran over to her parents "what Bella.. what is it" Ram asked her as he ran into the room to see that Bella was standing over their parents crying "the virus got them" Bella whispered in sad voice so Ram went over and hugged her tightly "I going to bed" Bella told her brother then she ran off and slammed her bedroom door shut

Bella stayed in her room till she fell asleep

She woke up the next morning and got ready for school then she left her room to see Ram sitting on the sofa "Ram.. are you ready to go to school" Bella asked her brother so he looked at her like she lost her mind "Bella.. we just lost our parents" he angrier said to her "you don't think I know that.. but they would want us to go to school" she told him "fine.. let me go change" he told her then he went up to his room and changed

Ram walked downstairs to see his sister was waiting for them so they left the house together

Bella and Ram arrived at school and went to class together

The teacher walked into the class room "you will be evacuated to the country side.. who had relative with in twenty miles away from the city.. tell me.. there is nothing to be scared about.. as soon as the dangerous passes.. we will bring you back.. you will still have classes as usually" the teacher told the class "what's the point" Bella heard someone say at the back of the room so Bella turned around to see it was Martine "I beg your pardon" the teacher asked him "what's the point of lesson unless you going to teach us survive" Martine said in annoyed voice "Look Martine.. I know you have had a Ruth time.. all the reason to knock down" the teacher said as he walked over to him "you're next.. Dumbo" Martine said to him "what did you just say" the teacher asked him "you heard me" Martine told him

Ram stood up from his table and walked out of the class

Bella watched her brother leave the room so she stood up but she didn't go after her brother and went straight to Martine "you ungraded dick" Bella growled out "I just saying as it" Martine told her "you think you're the only one that lost their parents.. me and Ram lost our parents yesterday.. but then again you always think about you.. Martine" Bella angrier told him "I am not Martine.. my name is Zoot" Martine/Zoot said to them "sir.. can I go and check on my brother" Bella asked the teacher "sure" the teacher told her so she left the room to find her brother

Bella found Ram outside sitting on the bench so she sat down next to him "Ram.. are you alright" Bella asked her brother "yeah.. just needed to get some fresh air" he told her "uh.. Ram what ever happens.. promise me.. that we stay together" she asked him in a sad voice "sure" he said to his sister

They were escorted to the country side soon the virus wiped out all the adults

Ram couldn't find his sister anywhere so he stayed into the country side

Bella didn't see her brother so she walked into a place called Liberty

2. Chapter 2

Bella walked into the saloon and walked up to the bar soon someone came over to her "hey I'm Ruby.. what can I get you" Bella asked her with a smile on her face "um I'm Bella.. and I will have a glass of water please" Bella asked her "coming right up" she said to her as she walked off only to come back with a glass of water "so.. are you just passing by" Ruby asked her with a smile on her face "I don't know yet.. I trying to look for my brother" Bella confirmed it "I bet you will find him.. have you tried the city" Ruby suggest to her "I going there later.. after I had this" Bella said to her

Bella just finished drinking her drink then looked up to Ruby "can you give me directions to the city" Bella asked her "sure.. just follow the road and you will see the city" Ruby told her with a small

smile on her face "thank you" Bella whispered to her

She left Liberty and followed the road

Soon Bella saw the city so she ran the rest of the way to the city so she walked in sector ten to look for her brother so she looked around it but to bumped into someone "uh.. look what we have here.. guys" Bella heard a male voice so she looked up to see a man with a hat on his head with goggles on the hat

Bella stood up on her own "sorry" she whispered to her as she went to walk past him but to get stopped as two people grabbed her arms to stop her from leaving "do you know who I am" Bella heard the male say to her "of course I do.. Martin" Bella angrier said to him "it's not martin.. it's Zoot" Zoot informed her "I don't care.. tell them to let me go" Bella commanded him though clenched teeth "no.. take her to our hide out" Zoot ordered his guards so they take Bella to a hotel and locked the door so she couldn't escape

Bella waits in the room about an hour

The door opens so she looked in that direct to see it was Zoot "when can I leave" Bella asked Zoot "you can't leave.. but I do want you to join us" Zoot asked her with a smile on his "what if I don't" she challenged him "well.. you will stay in here without food or drink till you agree to join me" Zoot informed her "ok" Bella whispered in defeat "good.. come and I will train you how we fight" Zoot said as he hold his hand out to her to take which she does

Zoot guides her outside the hotel "first thing is to make sure you have good fighting skills" Zoot said as he flung his hand in her direct which she easy dodge it and punched him in the face "that's was great.. oh you didn't give me your name" Zoot asked her in a happy voice "I'm Bella" she introduce herself to him "well Bella.. I don't think I need to teach you how to fight" he informed her

Bella turned around to face him "look Zoot.. I come here for a reason" Bella informed him with a sad voice "what's the reason" Zoot asked her "I came to find my brother" Bella told him "why" Zoot question her "because he's the only family I got left.. families need each other now" Bella said to him which made Zoot to tense up but it didn't go unnoticed by her "you got a brother or sister out there too" she asked him "yeah.. a brother" Zoot told her "don't let him go.. beside you two need each other" Bella informed him "you right.. let's go" Zoot said as he put his hat on the bed

Bella and Zoot walked out of the hotel and walked away from the locos and walked near a mall "I think we will be safe in here" Bella suggest to him as they walked into the mall so they sat down on the stairs "What a pretty picture real cute.. the great Zoot.. the great Loco leader" they heard someone say from behind them

Bella turned around to see two man standing there so she stood up "we don't mean to give you no harm" Bella called out to him "you might not.. but he would.. Ryan go and get the others" one of the men said to them so the other one ran off "were are the others" he asked them in a angry voice "I'm alone" Zoot informed him

Soon the others came

Bella saw Zoot look at one of them so she pushed him towards him "go on" Bella whispered to him so Zoot walked up to him "hey Bray" he said in a worried voice "Zoot.. what are you doing here" Bella heard the other man ask Zoot so she walked over to them "well.. Bella here.. made me see reason.. so I decided to leave the locos" Zoot informed them with a smile on his face

Bella saw a women walked out with a baby "Bray" the women call out to him as she walked downstairs towards them but to stop when she saw him "Zoot" Bella heard the women said to him "What is this" Zoot said as he saw the baby "Don't you want to say hello to your daughter" Bray told him "how do I know it's mine" he asked them in a sad voice "your the only one" Trudy told him "Yeah" he said to her "I've never been with anybody else not ever" Trudy confirmed it to him "she's your daughter Zoot you know she is" Bray interrupted them

Bella watched them then turned her attention to the others "look.. I don't know about Zoot.. but can I stay here just for tonight" Bella asked them but before they could reply to her but to get cut off "I want to stay here.. to look after Trudy and my baby" he asked them so they all agreed to let Zoot stay but Lex didn't because Zoot said he left the locos and he doesn't want anything to do with them

Bella was happy that they aloud him to stay with his family "so can I stay tonight" Bella asked them "all those in favour for Bella staying" Amber asked the tribe so Bray, Trudy, Zandra, Patsy, Cloe, Ryan and Salene put their hands up

Amber count who put the arms up "Okay seven agreed so all those against" Amber said to the so Dal, Jack and Lex put them arms up "ok three against it" she said to them "wait a minute Amber you haven't voted" Salene said to her "I'm agreed for Bella staying" Amber said to them

Salene walked over to Bella "I will show her were she will be sleeping" she said to them so Bella got up and followed after Salene so they walked in to a spare room "I know it's not much but there are blankets.. but it will do for you right" Salene asked Bella "yeah.. beside it's just for one night" Bella informed her "why.. you can stay" Salene said to her "I'll think about it.. but I want to look for my brother" Bella informed her "I know it's none of my business but your brother probably with another tribe" Salene told her "you might be right" Bella whispered in a sad voice

Salene left the room

Bella sorted out her bed and fell asleep
